Once we review your information and approve it we will act on your behalf, if your vehicle is showing at the locations you provide we will do our best to recover it. We do work Contingent, No Car No Fee. If we resolve your case by having the person pay or return the vehicle directly to you, we will charge a small cure fee. If we prove your information is no longer valid, we can skip out for a new or better address at an additional charge upon prior approval from you. If your vehicle has airbags example MBZ, BMW, Lincoln etc... And we do not have a key, a Rollback recovery vehicle (flatbed) may be needed to tow, again those additional fees will be approved before we act.

I agree to the above:
